

Would you agree that there are a lot of children in Palm Beach County who need your help?

We invite you to help them, you and your family and friends

Bring in any size diapers and in exchange have everyone you care about checked by Dr. Terri for their own health screening

AND we will donate the diapers to Place of Hope for distribution to these needy families.  
EVERYONE WINS!

**To have yourself, your family or friend checked**

- **Schedule an appointment in our office (561) 627-8464.**
- **Bring this flyer or write Diaper Drive at the top of your application for care when you come in by May 20, 2017**
- **Your exam will be covered 100% by your donation!**
