Precision in Data Collection and Analysis

# INSTITUTE FOR SPINAL HEALTH AND PERFORMANCE

Health and Wellness Score (HAWS) is the first service of its kind allowing your practice to contribute to chiropractic research on a massive scale. HAWS is HIPAA compliant and administers, scores, and analyzes quality of life (SF-36) outcome assessments on individual patients or groups of ANY SIZE. Additionally, all TLC enrollments will help to fund research through the Institute for Spinal Health and Performance.

- Provide scientific evidence showing the impact of chiropractic care.
- Shift the perception of chiropractic to quality of life.
- Act beyond the doors of your practice.
- Be an EVIDENCE-GENERATING PRACTICE!
